

Eternal Snow Cabled Hat  
(Neige Eternelle)  
One size

#### Materials

2 balls of "Népal" by Drops (65% wool, 35% alpaga; 50g = 75m)  
1 pair of 5mm needles (US N°8) and a cable needle  
Stitch markers  
Tapestry needle for seaming

#### Gauge:

17 sts x 22 rows = 10 cm square

Notes: This hat is worked flat and assumes you have knowledge of cables, Wrap & Turn short rows, and slipped stitches.  
The body of the hat is worked in garter stitch.  
Cables are worked over the 9 stitches between markers.  
Increase or decrease the number of cast-on stitches to adjust the height of the hat. Short rows give the shape of the top of the hat. When working short rows, remember to wrap the stitch so as not to make a hole

#### Abbreviations:

K- knit  
P- purl  
Sl1- slip one stitch purlwise  
PM- place marker  
SM- slip marker  
YF- yarn forward. Bring yarn to the front of the work  
WYIF- with yarn in front.  
YB- yarn back. Bring yarn to the back of the work
