

THE WEAKEST Emery

Couplet A :

D C#m
Point the gun (in your way)
D C#m
Just pretend that it is time
D C#m
Say the word and I will fire
Bm Bsus2
Sometimes I get so tired

Of their lies (it never stops)
It's worth more than my life
Say the word and I will die
Bm Bsus2

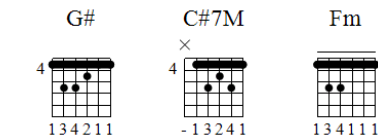

Couplet B :

D
There's no peaceful passing
E
Of this new sickness that I
D E
Have introduced

To everyone around me saying
That I am the cause of all their crime
And when they're drunk
A
I pour the wine

Refrain (1):

A F#m
Let's leave this place
And say that we escaped E
We'll say that there's no difference D
between right and wrong tonight A
We'll leave no trace
Of plans that we have made

So they can't find us and
D D*
take what is ours

Couplet A :

Point the gun (in your way)
Just pretend that it is time
Say the word and I will fire
Bm Bsus2

Couplet B :

Take me far from
This less than perfect design
My contributions only go so far
Without monetary gain for my part

Refrain (2):

Lets leave this place
(it won't happen this time)
And say that we escaped
(decisions that are mine)
We'll say that there's no difference
between right and wrong tonight
We'll leave no trace
(the finger and the gun)
Of plans that we have made
(to be the only one)
So they can't find us and
D D* D D*
take what is ours

Bm
Running with the scissors
C#m
Pointed at your heart from your hand
F#m D
Is that your plan?
Bm
I don't have time for questions
C#m D D*
concerning your future position

Refrain (2)

(take what is ours) D D* D D*

F#m
Put on your coat
(it's time to go, it's time to go)

F#m
Dancing very close (with what I want)
F#m C#m
Taking every inch to (it's farthest point)
D
Losing precious time (is not a choice)
D C#m
When I'm dealing with you (I heard your voice)

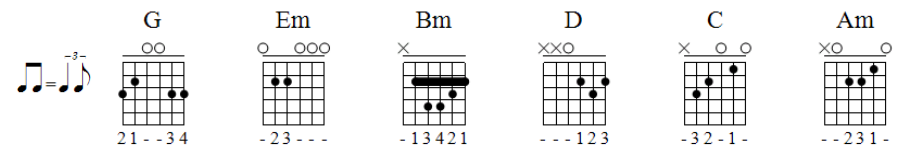

Giving up the fight (with arms that bruise)
Delicately shading (these grays and blues)
But I could never stop (bleeding for you)

D C#m
Endless dedication

F#m
My gift to you
