This pattern can be used for many variations.

You can change the middle and end in any round.

Make two, crochet them together and you've got a lovely purse or Childs bag.

Add four together and you've got a potholder.

One of my favorites is a little lavender bag made from thin cotton yarn.

Yarn over, pull up the loop for 1 cm.

Yarn over, pull up the loop for 1 cm etc.

3 times in total

Yarn over, make a stitch through all the threads on the hook.

One s.c. to finish the puff stitch.

Rnd 6: attach color 5.

Dc(sc) and picot between the puff-stitches. End with slipstitch in first dc(sc).

Weave in loose ends.

When you want to make a purse or bag, crochet 2 harts till round 6. In round 6 join the two harts by crocheting the dc(sc) trough both hearts. Attach a string, ribbon or strap.
